JOB TITLE: MISSIONARY EDUCATOR/ TEACHER

JOB OVERVIEW:

Eleazar African Foundation is an educational and counseling resource for vulnerable children and youth in Lira, Uganda. We are a small community-based initiative who seeks to love and care for our community by providing learning and healing opportunities to its children and youth. We are seeking a dedicated and committed teacher to meet our children where they are, teach them new ideas and concepts, and inspire them to love learning while expanding their dreams beyond their current realities. At the Eleazar Center, we use the Roots to Fruits Christian curriculum, which develops a child's critical thinking, problem solving, and creativity while engaging children with a variety of learning modalities. An effective teacher must be willing to learn different ways of communicating and sharing information, adapt their teaching modalities to the learner's style, and develop personal relationships with each child!
